"Robert Longo: Fugitive Images" installation view, 2019

"In Conversation: Robert Longo and Nancy Spector" at Metro Pictures

Robert Longo will speak with Guggenheim chief curator and artistic director Nancy Spector about his current exhibition "Fugitive Images" (on view through January 18), and the artist's eight new monumental hyperrealistic charcoal images. They are part of Longo's ongoing "Destroyer Cycle" series, inspired by what he sees as the destructive forces of power and greed at work in our current political climate.
